3. Exam seasons, timetables and clashes

3.1 Exam seasons

Subject teachers have responsibility for giving the Exams Office the appropriate notice period for scheduling of internal exams which contribute to summative assessment.

External exams are scheduled throughout the academic year and on demand with the appropriate notice adhered to. Subject Teachers must liaise with the Exams Officer to oversee and plan the scheduling of exams for their area. This includes decisions on exams series.

All internal exams are held under external exam conditions.

3.2 Timetables

The School Office will display timetables of all external exams on their notice boards. Allocation of Invigilators will be the responsibility of the Exams Officer.

4. Entries, entry details, late entries and re-sits

4.1 Entries

Normally candidates are selected for their exam entries by the Subject Teacher. However, a candidate has the right to request a subject entry, change of level or withdrawal but there would be an expectation that this would be following a discussion with their Subject Teacher.

The Centre acts as an Exam Centre for other organisations upon request.

4.2 Entry details

All individual candidate statements of entry printed and sent home with the students.

The School will accept withdrawals, amendments and changes of tier up to the dates set by the Awarding Organisations. These deadlines are available from the School Office or the Awarding Organisation websites.

4.3 Late entries

Late entries are authorised by the Exams Officer/Deputy Exams Officer.

The deadlines for late entries are available from the School Office or the Awarding Organisation websites.

Under extreme circumstances very late entries will be accepted but these will be subject to a fee levied by the Awarding Organisation.

4.4 Re-sits

Re-sit decisions are made in consultation with the Subject Teacher, School Office, Exams Officer and the candidate.

5. Exam fees

Normal registration and exam fees for the first sitting are paid by the Centre for fully funded candidates with an active enrolment.

Late entry or amendment fees are paid by the School.

Re-sit fees are paid by the School. This also applies to candidates re-sitting a year already taken and taking units that they sat previously.

(See also section 4.4: Re-sits)

6. The Disability and Equality Act, special needs and access arrangements

6.1 Disability and Equality Act

The Disability and Equality Act 2010 extends the application of the Disability Equality Duty in the DDA to general qualifications. All Exam Centre staff must ensure that access arrangements and special consideration regulations and guidance are consistent with the law.

6.2 Special needs

The Senior Management Team/ SENCo will inform Subject Teachers of any special arrangements that candidates may be granted during the course and in the exam.

6.3 Access arrangements

Candidates who may require access arrangements are identified during the admissions process or enrolment. Subject Teachers identifying candidates who may require any additional access arrangements after the start of the course should liaise with the SENCo at the earliest opportunity.

Applying for access arrangements via the JCQ AAO tool is the responsibility of the SENCo.

7. Estimated grades

Estimated grade forms are to be completed and returned via the Senior Management Team to the Exams Officer in order to meet the Awarding Organisations' published deadlines.

8. Managing Invigilators and exam days

8.1 Managing Invigilators

Internal Invigilators will be used for the majority of exams; however there may be the occasion that External Invigilators are used. Internal Invigilators will be used for most internally assessed components/controlled assessment.

The recruitment of Invigilators is the responsibility of the Exams Officer/Deputy Exams Officer

Securing the necessary Disclosure and Barring Service (DBS) clearance for new Invigilators is the responsibility of the School Office.

DBS fees for securing such clearance are paid by the School.

Invigilators are timetabled and briefed by the Exams Officer/Deputy Exams Officer.

Invigilators' rates of pay are set by the School.

8.2 Exam days

The Exams Officer/Deputy Exams Officer will book all exam rooms after liaison with other users.

The Exams Officer/Deputy Exams Officer are responsible for setting up the allocated rooms.

The lead invigilator will start all exams in accordance with JCQ guidelines.

Subject staff may be present prior to the start of the exam to assist with identification of candidates but must not advise on which questions are to be attempted and must leave the venue before the examination begins.

In practical exams Subject Teachers may be on hand in case of any technical difficulties.

Exam papers must not be read by Subject Teachers or removed from the exam room before the end of a session. Papers will be distributed to Subject Teachers the following day.

All students will have their own personal ID cards detailing their exam information.

9. Candidates, clash candidates and special consideration

9.1 Candidates

JCQ rules on candidates' use of mobile phones and all electronic devices apply at all times.

Normal Centre rules on dress and behaviour apply.

Candidates' personal belongings remain their own responsibility and the Centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates will not be allowed to leave the exam room until the published finishing time.

The School Office staff will attempt to contact any candidate who is not present at the start of an exam and the Exams Officer/Deputy Exams Officer will deal with them in accordance with JCQ guidelines.

The School provide equipment for students during their exams to ensure they have the correct resources.

9.2 Clash candidates

The supervision of candidates between exams is the responsibility of the Exams Officer/Deputy Exams Officer.

In cases of overnight supervision candidates need to complete the appropriate documentation in accordance with JCQ regulations.

9.3 Special consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, then it is the candidate's responsibility to alert the School, Exams Officer/Deputy Exams Officer or the Exam Invigilator, to that effect.

The candidate must support any special consideration claim with appropriate evidence within seven days of the exam, for example a letter from the candidate's doctor.

If the School supports the application the Exams Officer/Deputy Exams Officer will then forward a completed special consideration form to the relevant Awarding Organisation within the JCQ's recommended deadlines.

10. Coursework and appeals against internal assessments

10.1 Coursework

Candidates who have to prepare coursework should do so by the required date.

The Subject Teachers will ensure all coursework is marked/internally verified in line with Awarding Organisation requirements. Curriculum Managers have the responsibility to ensure that appropriate quality assurance procedures are followed to include internal verification of assessed work. Subject Teachers will ensure that all internal verification is completed by School internal deadlines. The Exams Officer/Deputy Exams Officer will ensure that the work is despatched at the correct time and that a record of what has been sent, when and to whom is maintained.

Marks for all internally assessed work are provided to the Exams Officer/Deputy Exams Officer by the Subject Teachers. These should be received by the Exams Officer/Deputy Exams Officer in order to meet the internal School Deadline.

10.2 Appeals against internal assessments

The Centre is obliged to publish a separate policy on this subject, which is available from the School Office and on the website. Centres have for many years been required to have a written internal appeals procedure relating to internal assessment decisions. As part of this procedure, candidates must be told the mark given by their centre for a centre assessed component/unit. This applies to legacy and new GCE and GCSE qualifications, and Project qualifications.

This requirement is to enable candidates to request a review of the centre's marking prior to the marks being submitted to the awarding body, should they wish to do so, and will facilitate the operation of a fair review process. It is reflected in the regulators' Qualification Level Conditions and Requirements.

The main points are:

- ∞ Appeals can only be made in relation to the process leading to an assessment. There is no appeal against the assessment decision i.e. the mark or grade awarded.
- ∞ Candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.
- ∞ In the first instance the student should raise any concerns about the assessment process with the teacher.
- ∞ If the student remains concerned having spoken to their teacher they should contact their Personal Tutor or a nominated person
- ∞ The tutor or nominated person will ask the student to make a written appeal which will be submitted to the relevant School Manager. The grounds for the appeal must be clearly stated.
- ∞ The findings will be notified in writing, copied to the Head of Centre and recorded for Awarding Organisation inspection.

11. Results, enquiries about results (EARs) and access to scripts (ATS)

11.1 Results

All individual candidate statements of results for General Qualifications received during the course will be printed by the school and posted to the student's address or collected in person from the School Office.

11.2 Enquiries About Results

EARs for General Qualifications may be requested by Centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The Awarding Organisation's fee is payable by either the candidate or the curriculum area depending on who has requested the EAR.

11.3 Access to Scripts (applicable to General Qualifications only)

After the release of results of General Qualifications, candidates may request the return of papers within the Awarding Organisations' stated deadlines.

Where an Awarding Organisation supplies the requested script electronically, the Exams Office will send the document to the candidate's School email account or parental email account.

If a result is queried, the Exams Officer/Deputy Exams Officer in conjunction with teaching staff or Head of Centre will investigate the feasibility of asking for a re-mark at the curriculum areas' expense. Otherwise the candidate will pay for the remark themselves. If there is a change in unit grade the candidate will receive a refund from the Exams Office.

Subject Teachers may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained. (See also Section 5: Exam fees)

12. Certificates

Certificates are posted (by recorded delivery where stipulated by the Awarding Organisation), or collected in person if a candidate requests this.

Certificates may be collected on behalf of a candidate by a third party, provided they have been authorised in writing to do so, and provide their own identification.

Certificates are not withheld from candidates who owe fees.

The Centre retains certificates for three years.
