Issue 001

In this issue:

- Launch of Brown's Newsletter
- COVID Operations
- News at Brown's
- Delving into the Digital
- Helpful Resources for Parents

Brown's School Launches Newsletter

Brown's School are pleased to release the inaugural edition of our new newsletter, the Brown's Bulletin. We hope to keep parents up to date with key events and announcements, as well as celebrate the achievements of the school.

COVID Operations

We were delighted to welcome more students from Year 6, 10, and 12 back to school on Monday 1st June. These students will work in a separate 'bubble' to our 'key group' students. We would like to take the opportunity to thank all of our students, those working at home as well as at school, as their application and attitude during these unprecedented times has been fantastic.

News at Brown's

From June 1st there were changes to staffing roles at Brown's. George Mitchell became Acting Headteacher, with Elaine Lovett taking the role of Principal. Emma Foskett also became the school's Office Administrator. In other exciting news; Valentina Cassutti is expecting a baby, which is such good, uplifting news during this time of uncertainty.

Delving into the Digital

The first set of Zoom Video calls have taken place for some of the classes with great success. We look forward to catching up with more of our form groups soon. We would like to continue the Zoom catch ups for students so please keep checking emails.

Helpful Resources for Parents

The Children's Society has a range of support materials for young people, parents, and schools in their mental and emotional health 'vault' including anxiety, depression, loneliness, OCD, and phobias. The resources can be found at www.childrenssociety.org.uk/coronavirus-information-and-support
