PROFESSIONALS

Expo City Dubai is a blueprint for sustainable urban living. An integrated community to live, work and play, comprising premium offices, unique event venues, green spaces, world-class attractions, hotels, restaurants and retail outlets, with residential developments coming soon.

Expo City Dubai presents an unparalleled opportunity for businesses, investors and developers looking to take advantage of its prime location, enabling free zone and world-class environment in the high-growth Dubai South area. It is also a dedicated platform to promote environmental and social sustainability and empower responsible businesses.

To support seamless business setup, Expo City offers diverse licensing solutions, including dual licensing. Businesses also benefit from a collaborative ecosystem, seamless connectivity and infrastructure, sustainability-related training, expert guidance and strategic partnership opportunities.

Unveiling the Green Licence:

Driving sustainable growth for businesses

The Green Licence, a pioneering product from Expo City Dubai, is designed to nurture businesses committed to advancing environmental and social sustainability by offering exclusive benefits that support their growth and innovation.

Join Expo City Dubai – the only free zone in Dubai with such an offering – in helping shape a more sustainable future and seize this unique opportunity to grow your business.

Why choose the Green Licence?

- **Cost savings:** Enjoy exclusive discounts on Green Licences, flexible lease terms for sustainability-focused spaces and reduced rates on city-wide services.
- **Enhanced visibility:** Elevate your brand through dedicated media features, social platforms and speaking engagements at environmental and social impact industry events.
- **Collaborative ecosystem:** Become part of a powerful network of forward-thinking businesses united in shaping a sustainable and equitable future.
- **Exclusive innovation support:** Unlock exclusive entry to the Urban Lab's innovation city-wide testbed. Benefit from complimentary access to innovation events, expert advisory support and tailored opportunities to pilot and scale sustainable solutions.

Be part of
Expo City Dubai's
vision for
a sustainable
future.

Start your journey towards a
greener tomorrow today.
