## Snacks and Meals

We've got busy days planned for our young campers and they will need plenty of energy and snacks to go along; the groups will be taking 30-minutes snack break and one-hour lunch break throughout the day.

### TO-DO LIST

- Please send enough healthy, nut-free snacks and meals for your child(ren)
- Appropriate utensils and crockery
- Marked lunch bags and/or boxes.
- Snacks should be in a separate container for the child to distinguish and make a proper selection according to the time of day.
- All fruits and vegetables are to be prepared and cut to prevent any choking hazards e.g., grapes, cherry tomatoes and remove seeds where possible e.g., watermelon & oranges.
- Please refrain from sending chocolate, candy, biscuits and chips.

Our camp staff will pro-actively involve children at mealtimes to create a social occasion which provides opportunities to promote children's social and emotional development as well as encourage good eating habits. Children will be encouraged (but not forced) to eat.

Explore our special PXB menu and pick your child's favourite meal [here](#). For orders, our team will be emailing camp parents prior to the first day of camp. If you prefer meals from home, please pack your child's lunch in an appropriate thermos flask as food heating is not permitted during camp. Please note that we will not be able to provide any cold storage or heating facilities.
