School's out: a summer of exploration awaits at Expo City Dubai for children and adults alike

Discover science, creativity and adventure at Expo City Summer Camp

- 6 July–28 August, Monday-Friday
- Terra
- Starting from AED 152 per day (book by 3 July)

Terra's much-loved summer camp returns with an expanded eight-week programme packed with science, creativity, exploration and hands-on learning. Designed to keep young minds engaged throughout the holidays, the experience blends interactive activities with discovery-led workshops in one of Dubai's most immersive environments. Several packages are available, including daily, weekly and seasonal passes, alongside early drop-off from 0800 and extended hours until 1700 for added flexibility. Spaces are limited, so early booking is recommended.

Build, experiment and innovate at Elite Engineer Summer Camp

- 13 July–28 August, 0900–1430
- C3
- Starting from AED 1,499 per week (Monday-Friday)

Created by a mechanical engineer inspired by her own journey into STEM, Elite Engineer Summer Camp is a first-of-its-kind hands-on programme for curious young minds aged 9–16. Across five dynamic days, participants will explore engineering concepts through practical challenges, creative problem-solving and hands-on experimentation designed to spark confidence and innovation. A completion certificate will be awarded to all participants.

Find your rhythm at SOPM Summer Camp

- 13-18 July, 0900-1400, Monday-Saturday
- SOPM, Mobility District
- AED 1,150 per person, ages 8-16

A new music-focused summer camp is coming to Expo City Dubai this July, offering young participants the chance to explore creativity, rhythm and self-expression in an engaging, collaborative environment. Developed by SOPM (Studio of Popular Music), a contemporary music school dedicated to performance, creativity and artist development, the camp blends learning with real-world musical experiences.

Explore plant-forward cooking at Nature's Kitchen

- 11 July
- Terra
- AED 200 per workshop

Hosted in partnership with PXB Café and part of Try Something at Terra – a new series that invites adults and teenagers to discover new skills through expert-led sessions – this informative cooking workshop explores the flavours and possibilities of conscious, plant-forward cuisine. Guided by culinary experts, participants will prepare seasonal dishes using fresh, locally sourced ingredients while learning more about sustainable food systems.

Rework and reimagine fashion at Upcycle & Make

- 8 August
- Terra
- AED 200 per workshop | AED 600 series pass

Turn pre-loved pieces into something new and unique at this hands-on creative workshop focused on sewing, repair and circular fashion. Part of the Try Something at Terra series, participants will be guided by tailors and dressmakers to experiment with embroidery, sewing machines and upcycled denim techniques, designed to reduce textile waste and extend the life of clothing.
