

Hybrid Hatchers

Experience the explosive and gooey hatch of the never-before seen hybrid dino! Inject the colour-changing DNA into the egg, and watch it burst open with gooey slime to reveal your surprise creature inside. Scan to discover your dino's DNA, then collect, squish, and play. With over 10 wild hybrids like Tigersaurs and Spinodiles to collect, the fun never ends.

Spring 2026 / Age: 5+ / SRP: \$14.99

Splatter Eggs

Witness the new explosive hatch of an exciting creature! Simply prick the egg with the popping tool and watch it hatch to reveal your slimy surprise. With squishy, lifelike features, experience your character come to life before your eyes. The Splatter Egg includes a popping tool, two morsels of food and a storage container to keep the mess contained. Discover more by collecting 8 fierce, squishy primal characters.

Fall 2026 / Age: 5+ / SRP: \$10.99

Hatching Megalodon

Get ready to unleash the mighty Megalodon! Awaken the beast by adding water and watch how it begins to fizz and foam into shark-attack red. Kids can play with this fully interactive shark with light-up eyes, motorized chomping, flexible rubber skin and an internal spring

that lets the Megalodon compress and hatch again.
Featuring 3 thrilling modes of play: Savage Strike,
Shark Shield and Raging Roar.

Fall 2026 / Age: 5+ / SRP: \$49.99
