

Interactive Mini Hedwig

Immerse yourself in the whimsical Wizarding World with your own interactive Mini Hedwig. Encouraging imaginative play, kids can spark their imagination and recreate beloved book and movie moments. Featuring reactive movements with adorable sound effects, flapping wings and ultra-soft fur. Though Hedwig is small, she has a big personality and is an owl of many moods, making the perfect sidekick for any witch, wizard or Muggles-alike.

Fall 2026 / AGE 6+ / SRP \$21.99

Mini Interactive Sorting Hat

Bring home the Wizarding World Sorting Hat to find out your Hogwarts House! This Mini enchanting Sorting Hat includes 15 phrases, authentic details and full facial movements and speaks English or French. Simply slide the switch to choose your preferred language and let the Sorting Hat do its magic. Wizards, witches and Muggles can recreate the iconic first-year Sorting Ceremony Scene by placing the hat on your head and let it automatically respond. Will it pick Gryffindor, Ravenclaw, Hufflepuff or Slytherin? Let the hat reveal your fate, for your destiny awaits at Hogwarts.
