Introducing Aqua Pups

In Season 9 of PAW Patrol, the pups return to the undersea world of PUPLANTIS! With this underwater challenge, Ryder outfits the pups in new AQUA PUPS wetsuits and aquatic animal-inspired vehicles that will launch from the new WHALE PATROLLER!

Aqua Pups Themed Vehicles

Team up with your favorite pups for exciting missions with the all-new Aqua Pups Themed Vehicles. Each true to show vehicle with accompanying pup is inspired by an aquatic creature. Choose from Chase (Shark), Marshall (Dolphin) Skye (Manta Ray), Rocky (Swordfish), Rubble (Hammerhead Shark) or Zuma (Lobster). Featuring their own unique transformations and tools like a net launcher, water cannon, ladder or claws. Included pup is wearing its Aqua Pups suit – ready to save Puplantis.

PAW Patrol Aqua Pups Whale Patroller

Featuring real working wheels, a Chase action figure and Chase's rescue vehicle, the Whale Patroller is equipped with everything you need for your super-charged rescue missions on the imaginary seas. Team up with Chase and head up to the observation deck to keep an eye out for trouble. When someone is in danger, put Chase into the cockpit of his rescue vehicle and lower the Patroller's tail ramp. Then, load the rescue vehicle into the Patroller's vehicle launcher and, once he's in proper position, slam down on the vehicle launching lever to blast Chase into action and save the day!
