

Kinetic Sand Smoothie Mixer

Make fruity treats with the Kinetic Sand Smoothie Mixer. With this fun set, kids can mold, layer, mix, slice and squish their own smoothies and popsicles, sparking creativity and imagination. Kids will experience real blending action as they mold fruit and toppings on the lid, drop ingredients into the jar and press to mix, just like a real mixer. With 14 oz play sand, "pour" smoothie creations into the cup to serve, or layer sand into the popsicle mold for a tasty-looking treat.
