How to Enter

Phone Call

- Entry is via phone call only.
- To be eligible for the major prize, entrants must call through on 0800 MORE FM when they hear the “cue-to-call” playing between 6:00 am and 10:00 am every weekday.
- During the Promotion Period, there will be multiple chances to enter each weekday. The number of chances to enter each weekday will be at the Promoter’s absolute discretion and may vary across the Promotion Period.
- Entrants may enter as many times as they like via the phone call entry method.
- Entrants acknowledge that their call may be played live on air, or recorded and played on air at a later time.

Promotion Mechanics & Winner Selection

- Prior to the commencement date, More FM will select a physical object (the **Predetermined Physical Object**). The Predetermined Physical Object will be referred to on-air (and as part of the Promotion) as, “the Thing”.
- Entrants that are brought to air will have the chance to guess what the Predetermined Physical Object could be.¹ All guesses must include a description of the key characteristics of the Predetermined Physical Object.²
- Once on air, but before guessing, entrants will be allowed to ask More FM one close-ended question about the Predetermined Physical Object (i.e. the answer to that question must be either a yes or a no).³
- If an entrant’s guess of the Predetermined Physical Object is incorrect (including the description of the key characteristics of the Predetermined Physical Object), then the process will repeat on the next cue-to-call until a winner is found.
- The first entrant to correctly guess what the Predetermined Physical Object is (including the description of the key characteristics of the Predetermined Physical Object),⁴ will be deemed the winner and will receive the Major Prize below.
- The Promoter may, at its sole discretion, select an alternative winner if:
 - the original entrant has a bad phone line;
 - the call disconnects; or
 - the original entrant does not meet all the Prize Conditions / requirements.
- The Promoter reserves the right to recap the guesses and answers, or release clues in any format it wishes (including other audio and/or visual clues) and may do so at its sole discretion.

² If an entrant’s guess omits a description of the key characteristics of the Predetermined Physical Object, their guess will be deemed incorrect.

³ If an entrant asks an open-ended question (i.e. a question where the answer is not either a yes or a no), the entrant will not be allowed to ask another question. More FM may, at its sole discretion, allow the entrant a chance to reframe their question to fit within the permitted parameters. Maximum of one question per entrant per call (i.e. if the same entrant is brought on air again, only then will they have another chance to ask a question).
