- To be eligible for the Prize, entrants must be listening to The Breeze or Breeze Classic at 8:00am, 11:00am, 2:00pm and 5:00pm daily to hear the radio host announce a code word. The code word announced will be different each time.
- When the code word is announced, entrants must go to the competition webpage, complete the entry form in full, and submit it.
- Entry for the given code word is valid for a 30 minute period from the first announcement of that code word live on air at 8:00am, 11:00am, 2:00pm and 5:00pm.
- Entrants may enter once per unique code word via this entry method, which equates to approximately 76 opportunities to enter during the Entry Period.
- Entrants acknowledge that their full name may be read out on air.
- Entrants acknowledge that they may be called to discuss their entry on air.
- Entrants need to be aware that broadcast content is delayed if they are listening on rova. This means that entrants who stream content via rova may hear the code word, but it is likely to be delayed. As a result, their entry might not meet the entry timing requirements and may therefore not be valid.

Winner Selection

- All eligible entries will go into a prize draw that will be drawn by The Breeze.

 - the original entrant has a bad phone line;
