Due to the unique characteristics associated with manufacturing finely crafted patterned products, the design and natural shading of this carpet may represent subtle variations when viewed from different perspectives. This is normal and consistent with patterned textures and not considered a manufacturing defect.

Carpet specifications are subject to change based on raw materials and technical improvements. Updated specifications are available on our website [www.phenixflooring.com](http://www.phenixflooring.com)

All product specifications are averages derived from product sample testing and are subject to normal manufacturing tolerances and testing tolerances. Density is an approximate calculation. Specifications may change without notice as long as product performance is not materially affected.
