Mannington Returns Policy

COURTESY RETURNS

Courtesy Returns are not product complaints. Courtesy Returns are granted when Mannington agrees to accept a return of unused product or materials when there are no manufacturing defects or a complaint of conformance to product specifications.

Courtesy Returns are neither automatic nor uniform in the amount assessed for restocking charges. Many variables enter the assessment of the restock fee amount, not the least of which is our ability to re-dispose the material.

All courtesy returns must be first approved by Mannington. The terms and conditions of all courtesy returns are exclusively reserved by Mannington, including the right to authorize or reject a courtesy return request of any product. Mannington will not authorize returns for material after Ninety (90) business days from invoice date.

Typical restocking fees are 25% of the returned quantity invoiced amount as well as freight and handling costs. **Freight will be the customer's responsibility to arrange for Hard and Soft Surface courtesy returns.** The restocking fees and the value of any unsellable product will be deducted from the credited amount, specifically any damaged or unboxed carton goods. Product not in its original, unopened, packaging is not eligible for credit.

Residential Hard & Soft Surface | Order and Delivery Guidelines

Effective 3/1/2024

Instances of manufacturing/order entry/shipping errors at the fault of Mannington are not courtesy returns. Any return due to a Mannington error will be handled or addressed at no cost to the customer once validated.

- Please submit all requests for returns of residential products to customer service at directreturns@mannington.com
- Products requested to be returned must have a Mannington Return Material Authorization (RMA) number.
- Courtesy returns apply only to running line goods.
 - Custom, discontinued, promotional, cut material (*material the customer cut*), off goods, opened, partial cartons or material less than roll standard roll size will not be considered.
- The minimum quantity for hard surface products allowed is 150 square feet for residential carton goods.
- The minimum quantity for soft surface products allowed is 50 lineal feet. (67 yards)
- Sundry items such as moldings, adhesives and cleaners are not eligible for return.

Freight Damage

- To initiate a freight damage claim for residential products, please submit the order number, product, quantity damaged, picture, bill of lading, and explanation of the damage to ResidentialService@Mannington.com.
- All freight damage claims for Truckload and LTL shipments by common carrier from the mill are the responsibility of the common carrier. The damage must be clearly noted on the receiving paperwork. All claims should be reported to the carrier upon receipt of the material. Freight related damaged material should not be discarded until approved to by the claims team.
