

Mannington ADURA®

Max | Rigid | Flex

With ADURA® luxury vinyl floors, Mannington makes it easy to select the right floor with confidence by choosing the color and then choosing the right construction for your customer. All of the floors are durable, low maintenance and stylish. All also feature Microban® surface protection, helping to keep your floors cleaner.

ADURA®Max FLOATING WPC

ADURA®Max offers maximum performance, dampening sound by 30% for more peace and quiet, especially in homes with multiple stories or noisy areas. *Steam mop approved.*

ADURA®Rigid FLOATING SPC

ADURA®Rigid is strong and durable with a solid core that provides superior indentation resistance, perfect for home gyms, kids rooms and kitchens. *Steam mop approved.*

ADURA®Flex GLUE-DOWN LVT

ADURA®Flex features ScratchResist®X, the most scratch-resistant wearlayer on the market. Can be installed with or without grout. Commercial grade.

MANNINGTON.COM

Award-winning technology. Show-stopping realism.

CraftedEdge™
TECHNOLOGY

Our most award-winning technology, CraftedEdge™ technology creates a chiseled, handcrafted bevel found on today's most luxurious floors.

Look for the **CraftedEdge™** icon on select styles.

TumbledEdge™ AND **NatureForm®**
TECHNOLOGY **Glaze**

New TumbledEdge™ technology combines an irregular hand-chiseled bevel look with a painted bevel to recreate grouted tile. Combining TumbledEdge™ Technology and NatureForm® Glaze finish simulates both the visual and texture of porcelain tile.

Look for the **TumbledEdge™** icon on select styles.

SimpleStairs® Stair Treads

Coming May 2024!

Better-looking, better-performing stair treads for a continuous look with your floors.

UPGRADED VISUALS

Exact-match stair treads of ADURA® wood looks.

LONG LASTING

Engineered to look beautiful for years to come.

ADURA FLOOR QUALITY

Waterproof and durable with a quick and seamless install, carpet runner can be installed on top of SimpleStairs®.

COVENTRY

Style Trend: Revival and Wellness

Instantly create a calming environment by bringing the outside in with Mannington's new nature-inspired pattern, **Coventry**. This authentic 7" x 48" character maple combines attractive mineral lines and realistic splits with a hand-scraped texture all aimed at enhancing its rich undertones and natural graining. Accented by our award-winning Crafted Edge™ technology and available in a warm color palette, **Coventry** will create a seamless link to the outdoors while complementing a wide range of today's popular home interior styles.

PRESERVATION

Style Trend: Revival and Wellness

Capturing the undeniable natural beauty, gorgeous character, and nostalgic charm of hickory, **Preservation** is the perfect flooring choice to make a true pastoral statement. Each 7" x 48" plank of **Preservation** combines distinctive graining, realistic knot holes and impactful spalting with Mannington's exclusive Crafted Edge™ technology. The combination radiates realism and texture, providing a relaxed visual that can transform any room into a quaint countryside cottage.

FRESCO

Style Trend: Revival and Wellness

Capturing the undeniable beauty, innate character, and restorative ambiance of the outdoors, **Fresco** harnesses homeowners' growing desire to connect with nature. Each 12"x 24" tile showcases a distinctive limestone visual with raw imperfections, light veining, and soft color variation. Combining Mannington's TumbledEdge™ Technology and NatureForm® Glaze, which simulates both the visual and texture of porcelain tile in a light airy color palette, **Fresco** is sure to add beauty and tranquility to any room while still complementing a wide range of interior styles.

Evolution of Bevels in LVT

MICRO-BEVEL

- Original LVT technology
- Created to limit "ledging"
- Transitioned from flexible to rigid LVT products

PAINTED BEVEL

- Originally created for laminate to circumnavigate patents
- Created to cover core material
- Chinese laminate producers migrated technology when they entered LVT category

PRESSED BEVEL

- Patented technology now rolling out
- Produces more rounded, defined bevels
- Original version created in laminate and now extended to LVT

- Uses industry-leading technology
- Evolves our new ADURA®Max and ADURA®Rigid wood designs to the next level of realism
- Makes our floors featuring CraftedEdge™ look like authentic hardwood

- Mannington's new bevel technology
- Creates an irregular hand-chiseled bevel look with a painted bevel to recreate grouted tile
- Provides a relaxed visual that complements traditional materials
