

# Everyone wants a cleaner floor.

## MICROBAN®

Phenix carpets with built-in Microban® protection work by protecting 24/7 against the growth of bacteria, mold and mildew, and remain 99% cleaner than untreated surfaces. Microban® antimicrobial protection works at the microscopic level by not allowing bacteria to grow.

For consumers who are looking for fashion forward styles:

**Modern Contours**

DIMENSIONS:

Depth | 24 5/8"

Width | 38"

Height | 61 7/8"

For active households that can withstand kids, pets, and life's uh-oh's:

**FloorEver™**

DIMENSIONS:

Depth | 24 5/8"

Width | 38"

Height | 61 7/8"

For consumers wanting wallet-friendly styles that don't skimp on features:

**Microban® Lowboy**

DIMENSIONS:

Depth | 19 5/16"
