Provence Herringbone

We added a herringbone coordinate to our top-selling Hardwood pattern, **Provence**.

Provence is a classic choice that combines durability with a touch of elegance. Its rich, varied grain patterns and warm, natural tones lend a rustic charm to any space. The distinctive, sometimes dramatic, grain of Hickory creates visual interest and adds character, making it a beautiful backdrop for a cozy, inviting atmosphere. The width matches the coordinating plank at 7" with a length of 35". Available in 2 colors.

Artisan Walnut

Artisan Walnut is a distinguished hardwood floor that showcases the timeless beauty and rich character of true walnut. The smooth, refined surface features a soft, low-luster sheen that highlights the wood's striking grain patterns and sophisticated color variations. Each plank reveals the unique qualities of walnut, with natural knots, mineral streaks, and slight variations that add depth and warmth. Crafted with a width of 7" and a total thickness of 9/16", **Artisan Walnut** comes in random lengths from 16" to 84", offering a natural, varied look across the floor. In addition to the traditional plank format, we also offer **Artisan Walnut** in a striking Herringbone pattern, crafted in 7" wide by 35" long pieces, perfect for creating a distinctive and elegant statement. Designed to celebrate the authenticity of the wood, this floor blends rustic charm with modern elegance, making it the ideal choice for spaces that appreciate fine craftsmanship and understated luxury.
