VIRTUAL REALITY: Experience the Floors

Try it now with your phone. Simply go to [Floors.com/See](https://www.floors.com/See) or Scan the QR Code.

SELECT. SNAP. SAVE.

Customers can easily save their favorite floors and use our virtual decorator to understand how the floor will look in a room!

SELECT: Have the customer select the floors they would like to save as their favorites.

SNAP: Have the customer take a picture of the labels on the front of the samples with their smart phone.

SAVE: Ask the customer to go to [Floors.com/Save](https://www.floors.com/Save) to upload the images they just took of the label.

From here, they will be able to save the floors to their "Favorites" folder by following the prompts on Floors.com. There's no limit to the number of floors they can save!

For Distributor Sales Reps

Loading Plan App

With this app, simply scan the labels of the samples in the display to find out if you should remove that sample or keep it. This will minimize time spent updating the display and allow more time with the Retail Store Associate. Available in Apple's App Store and the Google Play Store,

Notes

The Mannington brand is the only premium sheet vinyl not sold in the big box stores. You will find Mohawk, IVC, Armstrong, Tarkett, Congoleum, and other popular manufacturers at the big box stores.

The Style Leader. Always has been. Always will be.

- Mannington's in-house styling team in Salem, NJ combines inspiration with trend research.
- While Mannington has set the bar for the latest trends in vinyl sheet, we see our competitors trying to catch up.
- With the on-trend designs and value this product offers, we should be the **only** Vinyl Sheet display in your store. In fact, we recommend placing this display in your tile section. Your customers will be thrilled with the premium value that Mannington's Vinyl Sheet offers over everything else.

MANNINGTON.

|| 2019 New Introductions—REVIVE®

Carrara

Carrara captures the timeless, classic look of Carrara marble. Featuring a 12" marble hexagon with colorful veining and subtle shading, Carrara moves away from the traditional square tile format. Consumers can play with shape, creating custom one-of-kind installations for their home.

Benchmark (Better)	4190	4191

Ivory Pearl

Morocco

Morocco is a 6" encaustic tile pattern that combines a variety of stylized Moorish decorative motifs, creating an artful collage. This was designed with the retailer in mind. The economy match of 6" x 6" allows you to use every bit of the roll and minimize waste in even the smallest of installations.

|| 2019 New Introductions—LVS Exclusives

Anchorage

Anchorage, a time-worn wood look, features a 6" x 48" plank format. Featuring a multi-length plank-in-plank design which mimics weathered shiplap and contains an array of imperfections, paint degradation, and bold color that add to its dynamic texture and rustic appeal.

Black Mountain Oak

Black Mountain Oak, one of our best-selling patterns, features a new color for 2019, Pebble. The 4" x 36" hardwood plank pattern combines a fine sawn finishing technique with natural distressing, giving the realism of natural wood a modern update.

|| Why Choose Vinyl Sheet

With both wood and tile looks that offer a realistic representation, this waterproof floor is ideal for high-moisture rooms, such as bathrooms, laundry rooms, and kitchens, because it can be installed without seams.

|| Choosing Your Construction

Choosing which type of backing for the vinyl floor is just as important as the design. The backing on Mannington's vinyl flooring determines how the floor must be installed.

FIBERGLASS BACK

Fully waterproof construction; provides superior comfort underfoot; More resilient during installation; Releasable bond during installation allows for easy repairs and updates.

FELT BACK

Best for direct installation underneath cabinets; Can be perimeter glued.

|| Gotta Love It Guarantee

Our Platinum and Realistique™ products offer the Gotta Love It Guarantee—after 30 days if the customers decide they don't love it for any reason, we'll replace it with a Mannington floor of the same grade or equal value*.
