### LUXXE

*Visual: Marble*

Inspired by the classic elegance of European marble, **Luxxe** offers a sleek, sophisticated look in 12" x 24" tile and dynamic hexagon formats. Its refined design features intricate veining and soft, natural color variation, creating a high-end appearance that complements both traditional and contemporary interiors. With Mannington's TruDetail™ Styling Technology, **Luxxe** provides double the tile variation for a more realistic, natural look. The tile format is further enhanced by TumbledEdge™ Technology\* and exclusive NatureForm® Glaze, delivering authentic stone texture, and added visual depth.

### ARTEMIS

*Visual: Marble*

Inspired by the timeless elegance of Carrara marble, **Artemis** Hexagon features a striking geometric tile that captivates with its bold veining and subtle tonal variations. Departing from the traditional format, **Artemis** invites creativity—allowing homeowners to explore unique, custom layouts that add both visual interest and a touch of luxury to any space. While tile installations typically require time, precision, and patience, Mannington's new patented installation system simplifies the process. By eliminating the need for spacers, each tile is precisely engineered with measured edges that automatically create a consistent 3/16" groutable area when placed together. This innovative

system makes installation faster and easier while ensuring perfectly aligned grout lines, and with the option to pair **Artemis** with any complementing grout color, homeowners can achieve anything from a seamless, subtle look to a bold, high-contrast design.

**Elevated, Refined.**

**Premium Construction • High Performance  
Exclusive Style • Luxury Formats**

Mannington's ADURA® APEX is the industry's best LVT line. Here's why:

**Premium Construction:** ADURA® APEX features exceptional sound absorption, waterproof performance and easy installation. Our new Hexagon styles feature our patented system, eliminating the need for spacers with precisely measured edges that automatically create a groutable space when tiles are placed together. Across the entire ADURA® APEX line, thoughtful construction ensures installation is simpler and more efficient.

**High Performance:** ADURA® APEX can stand up to the most active households and offers the industry's best wear, scratch and stain resistance. Plus, it features Microban® surface protection, helping to keep your floors cleaner.

**Exclusive Styling:** Extreme attention to detail allows our in-house designers to reach new levels of realism on our on-trend styles, including embossed in register, our award-winning CraftedEdge™ and TumbledEdge™ technologies and our exclusive NatureForm® Glaze. Our TruDetail™ Styling Technology allows for at least 2X the unique number of tiles or planks.

**Luxury Formats:** Turning ordinary into extraordinary by pushing the boundaries with multiple offerings including long and wide wood design planks, premium oversized tiles, multi-width planks, clever encaustic tiles and new hexagon format tiles.
