Hexx

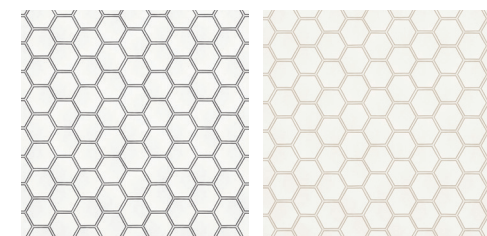

Style Trend: Cottage Core | Mediterranean

Given the design industry’s ongoing preoccupation with eye-popping patterns, it was only a matter of time before the maximalist trend crossed over into tile. Hexx creates the perfect canvas to make a decorative statement. Offered in an 8” hexagon format, each tile is enhanced by artfully painted lines, adding contrast and a bold impact that channels a retro vibe. Combined with vintage accents and curated furniture, Hexx is the perfect floor to ground any eclectic interior setting.

Style Trend: Mediterranean | Regency

For those wanting a distinctive pattern that instantly adds interest and elevates your style, look no further. Twill is a positively striking pattern comprised of a modern herringbone in a 3 ½” x 18” format. Incredibly eye catching, this zig zag pattern features a time-weathered oak visual with subtle saw marks, soft color variation, and remnants of wear, providing a truly distinctive visual that is certainly one-of-a-kind.
