

RESTORATION COLLECTION®

2019 Introductions

STATION PINE

The newest pattern in the Restoration Collection® is reminiscent of an old railway station. The weathered and worn splits, knots, and cracks help to create that warm eclectic feel of reclaimed railway ties. *Available in 3 colors.*

ARCADIA

Arcadia, a top-selling look since 2013, is the perfect blend of rustic and refined details. Two new colors, Shadow and Sap, have been added this year that are perfectly on trend. *Now available in 5 colors.*

SAWMILL HICKORY

Sawmill Hickory was first introduced in 2014 and continues to climb in popularity. This year we are adding a new color, Wicker, which is a taupe-gray coloration that is stylish in flooring. *Now available in 3 colors*

All Restoration Collection® Floors are:

SPILLSHIELD® WATERPROOF WARRANTY

Restoration Collection floors are protected by SpillShield®, a factory-applied, moisture-resistant coating. No need to worry about spills, melting ice cubes, water dripping dogs and more with our topical Waterproof Warranty which makes it great for kitchens, bathrooms, laundry rooms, and mudrooms.

NALFA CERTIFIED

The National American Laminate Flooring Association (NALFA) Certification Seal proves that our floors pass 10 very demanding performance tests. In addition, our floors comply with all CARB (California Air Resource Board) requirements.

SCRATCHRESIST™

Mannington's exclusive patented performance coating with aluminum oxide that helps keep floors looking newer, longer by providing exceptional resistance to everyday household wear.

AWARD WINNING

The Restoration Collection has won numerous awards over the years for style and design. Most recently, the Restoration Collection laminate flooring with SpillShield® technology was named one of the "30 Most Innovative Products of the Year" for 2018 by *Better Homes & Gardens' Beautiful Kitchens & Baths* magazine.

MADE IN THE USA

The entire Restoration Collection is produced in High Point, NC at a modern, environmentally-friendly facility.
