

Everyone wants a cleaner floor.

MICROBAN 

Phenix carpets with built-in Microban® protection work by protecting 24/7 against the growth of bacteria, mold and mildew, and remain 99% cleaner than untreated surfaces. Microban® antimicrobial protection works at the microscopic level by not allowing bacteria to grow.

For consumers who are looking for fashion forward styles:

Modern Contours

DIMENSIONS:

Depth | 24 5/8"

Width | 38"

Height | 61 7/8"

\$399

For active households that can withstand kids, pets, and life's uh-oh's:

FloorEver™

DIMENSIONS:

Depth | 24 5/8"

Width | 38"
