## The More They See It, the More You Can Sell It

Consumers have a hard time visualizing what their new floor will look like. Use our free tools on a tablet or smart phone—no apps or downloads:

[Floors.com/MyRoom](https://floors.com/myroom)  
Try on our floors in any room.

Now you can add Restoration Collection® floors to any wall with Floors.com/MyRoom.

**Tip:** When you go to measure the consumer's home, take pictures of their rooms to show them what their new floor will look like in their home.

## Order Consumer Samples

Order samples from Mannington.com to help your customers experience Mannington's Restoration Collection® laminate floors in their home. It keeps the display sample in the store and the consumer can keep the sample. Each sample is the width of a plank by 12" long.

# Bespoke

Style Trend: Revival and Wellness

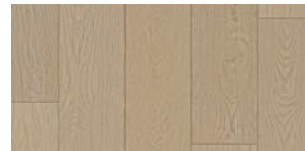

Restoration Collection®  
Bespoke | Cashmere | 31001

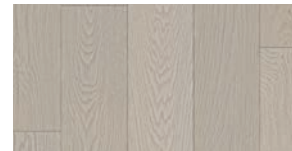

**Bespoke** is a wire brushed, lightly distressed European White Oak look with more realistic bevels. It features 12 individual plank designs and is embossed in register, creating true realism and one-of-a-kind beauty. The five-color pallet for Bespoke is light, airy and perfectly on trend with the top selling hardwood stain colors. As with all our Restoration Collection® patterns, Bespoke features our SpillShield®Plus waterproof technology.

## Restoration Collection® Realism

With the highest number of EIR planks in the industry, Restoration Collection® floors offer the most realistic visuals. Two to three times more unique planks means less pattern repeat, leading to unmatched beauty and realism

### Restoration Collection® TruDetail™ Digital Print

- 12-20 Unique Planks
- 2-3x more planks than competitors
- Only 4 plank repeats in a 200 sq. ft. room

Haven with TruDetail™ Digital Print  
20 Unique Planks

### Competitors

- 6-10 Unique Planks
- 7-12 plank repeats in a 200 sq. ft. room
