MICROBAN®

Mannington's ADURA® floors with Microban® are protected 24/7 against the growth of bacteria and remain 99% cleaner than untreated surfaces. Microban® antimicrobial protection works at the microscopic level by not allowing bacteria to grow.

The Microban® Protection is Built into the Wearlayer

•
Completely Safe

•
Won't Rub or Scratch Off

•
Protection Lasts for the Life of the Floor

Regular cleaning is still needed to maintain the floor as usual. Sweep floors regularly, at least weekly. Mop occasionally or as needed. MICROBAN® protection works at the microscopic level by not allowing bacteria to grow.
