CHALET | APX110

NORDIC OAK | Trending from wall to wall.

Long, wide plank European White Oak is the epitome of style and sophistication. This beautiful character oak, offered in an 8" X 72" plank format, features light airy Scandinavian-inspired colors with natural splits, knots, and subtle character creating a fresh new look. Featuring embossed in register detail and painted bevels for a more defined and realistic look, **NORDIC OAK** is sure to elevate any interior space to a higher level of style.

NORDIC OAK FEATURES

- Premium realistic wood visual with embossed in register and painted bevel detail
- Performance benefits of LVT
- Easy installation—
 - No need to pull up the existing level hard surface floor, our **ADURA®APEX** floating floors can be installed on top of the old hard surface floor.
 - Little to no dust when cutting the **ADURA®APEX** floating floors
 - The biggest benefit to your customer is they can live on the floor right away! No waiting for the floor to cure or dry.
