

MANNINGTON®

Begin to imagine

SLATE | APX121

DOMAIN | High style and worry free!

Large-format tiles have been in the spotlight recently due to their clean visual and ability to make a space feel larger. **DOMAIN** is right on trend with its impressive size of 18" X 36" and its unique concrete visual that is a perfect fit for those who want an industrial inspired aesthetic. With its natural worn surface texture, weathered patina, and low gloss visual, **DOMAIN** can perfectly transition any interior style from contemporary to traditional.

CONCRETE | APX120

DOMAIN FEATURES

- Premium concrete visual with embossed in register and painted bevel detail
- Performance benefits of LVT
- Easy installation—
 - No need to pull up the existing level hard surface floor, our **ADURA®APEX** floating floors can be installed on top of the old hard surface floor.
 - Little to no dust when cutting the **ADURA®APEX** floating floors
 - The biggest benefit to your customer is they can live on the floor right away! No waiting for the floor to cure or dry.
