

Mannington.

ADURA®

Max | Rigid | Flex

With ADURA® luxury vinyl floors, Mannington makes it easy to select the right floor with confidence by choosing the color and then choosing the right construction for your customer. All of the floors are durable, low maintenance, and stylish. All also feature Microban® surface protection, helping to keep your floors cleaner.

MANNINGTON.COM

New for 2025!

BASILICA

Style Trend: Quiet Luxury

Inspired by the grandeur of the world's most renowned marble structures, **Basilica** takes you to a place where beauty and history merge. Presented in a 12" x 24" tile format, **Basilica** showcases intricate veining, natural imperfections, and subtle color variations that convey a sense of realism and serenity. ADURA®Max and ADURA®Rigid tiles feature our exclusive TumbledEdge™ bevel technology and NatureForm® Glaze finish. ADURA®Flex can be installed with Mannington's ADURA® Grout for the look of authentic tile. **Basilica** revitalizes your space, creating an inspiring and tranquil environment.

GALA

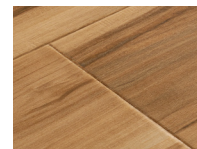

Style Trend: Crafted Heritage

Mannington's captivating new pattern, **Gala**, captures the unique allure of apple wood with a nostalgic touch. Perfect for connecting past and present, **Gala** provides a distinctive flooring choice that infuses any space with character, showcasing exquisite spalting, intriguing mineral lines, and a warm, inviting color palette. **Gala** combines sophistication with genuine charm, making it an ideal choice for revitalizing your space and expressing your personal style. ADURA®Max and ADURA®Rigid feature 7" x 60" long and wide plank formats and ADURA®Flex features a 7" x 48" plank.

HIGHLAND OAK

Style Trend: Crafted Heritage

Inspired by the windswept moors and rugged highlands, **Highland Oak** blends the rustic charm of weathered oak with the stunning beauty of mountainous terrain. Every knot and split highlights nature's artistry, while the earthy tones and textured finish reflect the rugged allure of the landscape. ADURA®Max and ADURA®Rigid feature a new 7" x 60" long and wide plank format and ADURA®Flex features a 7" x 48" plank. **Highland Oak** pays tribute to nature's resilience and the timeless appeal, seamlessly complementing a variety of interior styles.

TIMBER

Style Trend: Modern Mediterranean

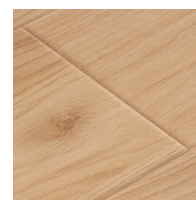

Introduce a touch of nature and serenity into your home with Mannington's newest pattern, **Timber**. ADURA®Max and ADURA®Rigid feature 7" x 60" long and wide planks and our new **SculptedEdge™** bevel technology, an elegant bevel with a soft, smooth edge for a more sleek look. ADURA®Flex features a micro-bevel edge in a 7" x 48" plank. **Timber** is a sleek, minimalist Poplar species wood design, enhanced by elegant edge spalting and subtle color variation. The soft, refined surface texture, complemented by and a calming neutral color palette, creates a tranquil connection to the outdoors.

Award-Winning Technology. Show-Stopping Realism.

NEW!

SculptedEdge™
TECHNOLOGY

Our newest technology, SculptedEdge™, provides a soft, smooth bevel edge for a more elegant floor.

Look for the **SculptedEdge™** icon on select styles.

TumbledEdge™
TECHNOLOGY

AND
NatureForm®
Glaze

TumbledEdge™ technology combines an irregular hand-chiseled bevel look with a painted bevel to recreate grouted tile. Combining TumbledEdge™ Technology and NatureForm® Glaze finish simulates both the visual and texture of porcelain tile.

Look for the **TumbledEdge™** icon on select styles.

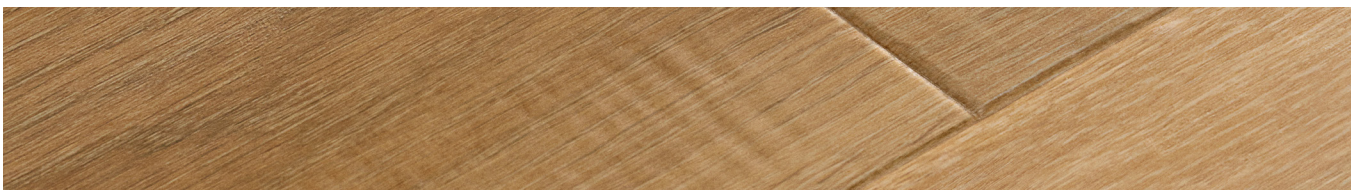

CraftedEdge™
TECHNOLOGY

Our most award-winning technology, CraftedEdge™ technology creates a chiseled, handcrafted bevel found on today's most luxurious floors.

Look for the **CraftedEdge™** icon on select styles.

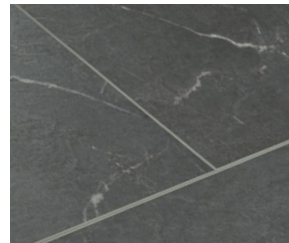

Evolution of Bevels in LVT

Micro-Bevel

- Original LVT technology
- Created to limit “ledging”
- Transitioned from flexible to rigid LVT products

Painted Bevel

- Originally created to cover core material in the laminate category
- Migrated to LVT

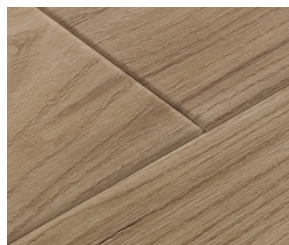

TumbledEdge™

- Creates an irregular hand-chiseled bevel look with a painted bevel to recreate grouted tile
- Provides a relaxed visual that complements traditional materials

CraftedEdge™

- Uses industry-leading technology
- Evolves our ADURA®Max and ADURA®Rigid wood designs to the next level of realism

SculptedEdge™

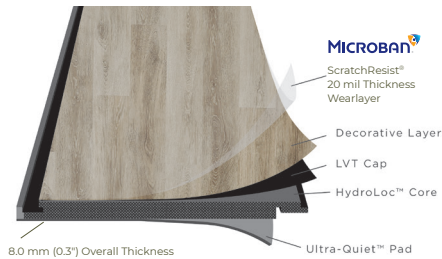

- Our newest bevel innovation
- Soft, smooth bevel edge for a more elegant floor
- Designed to match the sophistication of elegant wood visuals

Choose Your Color, Choose Your Construction.
