RAPOLANO

Style Trend: Crafted Heritage

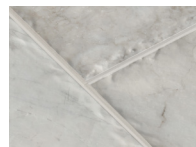

Capturing the casual yet classic look of natural travertine, Rapolano is truly an exceptional stone pattern. Featured in a large 18" x 36" tile format, Rapolano's sporadic nature blends earth-colored mineral deposits with textural variation, creating a random yet visually appealing floor. Mannington's TumbledEdge™ technology combines an irregular hand-chiseled bevel look with a painted bevel to recreate grouted tile. This pattern not only displays stunning variety, but provides a fresh visual with a modern, relaxed aesthetic.
