.....

SELL MORE. EARN MORE.

Consumers want the flooring in their homes to be cleaner. Phenix carpets with Microban® help protect 24/7 against the growth of bacteria, mold, and mildew, and remain 99% cleaner than untreated surfaces.

MICROBAN® 

24/7 | **99%**
SURFACE PROTECTION | CLEANER

The Microban logo consists of the word "MICROBAN" in a bold, blue, sans-serif font, followed by a registered trademark symbol. To the right of the text is a stylized logo icon featuring a blue and orange shape with a white circle inside. Below the logo, two statistics are presented: "24/7" and "99%". A vertical line separates these two statistics. Underneath "24/7" is the text "SURFACE PROTECTION" and underneath "99%" is the text "CLEANER".

Now you can help the customer get a cleaner floor and you earn Phenix Rewards points. It's a win/win!
