### CALACATTA

*Visual: Marble*

Inspired by the timeless beauty of Calacatta marble, Mannington's new 12" x 24" tile offers a modern take on a classic look. Flowing veining, gentle color shifts, and soft shading create depth and sophistication, while the elongated format brings a fresh, contemporary edge. Versatile and refined, **Calacatta** delivers a clean, luxurious visual that complements both modern and traditional interiors.

## The More They See It, the More You Can Sell It

Consumers have a hard time visualizing what their new floor will look like. Use our free tools on a tablet or smart phone—no apps or downloads:

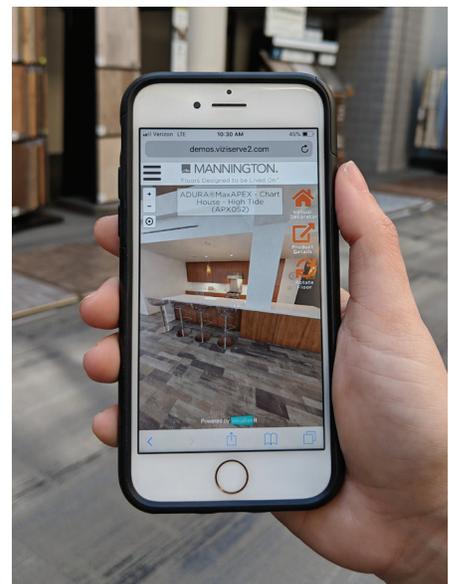

[Floors.com/MyRoom](https://www.floors.com/MyRoom)

Try on our floors in any room.

**Tip:** When you go to measure the consumer's home, take pictures of their rooms to show them what their new floor will look like in their home.

## Order Consumer Samples

Order samples from [Mannington.com](https://www.Mannington.com) to help your customers experience Mannington's ADURA®PRO floors in their home. It keeps the display sample in the store and the consumer can keep the sample. Each sample is the width of a plank or tile by 12" long.
