**Dear Parents,**

We trust that you and your family are safe and keeping well and we sincerely appreciate your continued support, understanding and cooperation.

As you are aware, owing to the exceptional circumstances in the region, the school had temporarily transitioned to an online mode of instruction to ensure the safety of our students while maintaining uninterrupted academic continuity. We are now pleased to inform you that the Ministry of Education has granted permission for schools to resume in-person classes.

In light of this development and taking into consideration several factors, **the school is planning to recommence in-person classes, circumstances permitting, from Monday, 4<sup>th</sup> May 2026.** This proposed timeline has been carefully determined to allow sufficient time for those currently out of Bahrain to plan their return.

Meanwhile, **online classes will continue as usual till Thursday, 30<sup>th</sup> April 2026.**

We also wish to inform you that the school plans to re-introduce school transport services effective from Monday, 4<sup>th</sup> May 2026, coinciding with the resumption of in-person classes. Details regarding the same will be sent shortly.

We are pleased with the opportunity to welcome our students back to school and would like to emphasize that in-person schooling is vital for both academic progress and holistic development, fostering peer interaction, confidence and essential life skills.

The presence of our students brings energy and vibrancy to the school; their enthusiasm is at the heart of all we do. We look forward to welcoming them back and restoring the lively atmosphere we cherish.
