**Dear Parents,**

Greetings from The Asian School!

The Academic Year 2023-24 has been well planned and had a peaceful start. I am happy to state that in a very short while, both staff and students alike have acclimatized themselves remarkably well to a new learning environment.

Intervals of recreation and relaxation do help to enhance interest and learning. Our mission to search for and develop a plethora of skills and talents in our students, helps us to harness untapped potential in them. Hence, we are trying to follow the school calendar (diary) closely despite a whole lot of unexpected happenings. Our endeavours are aimed at developing the personality of the child in the best possible manner, by simulating regular school life. We endeavour as always to educate our students in the best possible manner and by planning regular a school life, we may be able to normalise a situation which is otherwise unsettling.

**Book Week:** The school is celebrating Book Week from April 10<sup>th</sup> to 18<sup>th</sup> 2023, to inculcate in students the importance of reading and development of vocabulary. Apart from competitions, students will be given three words daily, along with definition, synonyms, antonyms and examples of usage to enhance their vocabulary. Students will also be given names and biographies of two authors daily so as to help them familiarise themselves with the lives and works of these authors.

**'Character Dress Up Day'** will be held on Tuesday 18<sup>th</sup> April 2023, for students of KG to Grade 12. Students can dress up in their favourite 'Character Costumes' from the books they have read.
