**Dear Parents,**

Warm greetings to you and your family.

In light of the current situation in Bahrain and with the safety and well-being of our students as our highest priority, the school will be commencing **Online Learning via live lessons on Google Meet** as per the following schedule:

**Grades 2 to 12** : Monday, 6<sup>th</sup> April 2026

**KG and Grade 1** : Tuesday, 7<sup>th</sup> April 2026

The detailed timetables have been shared with you along with other relevant documents. We especially request you to carefully review and ensure adherence to the Virtual Learning Policy for students that will help maintain a structured, respectful and productive online learning environment for all.

We also request parents to kindly avoid interrupting live online classes. Instructional time is meant solely for interaction between the teacher and students which helps to ensure a focused and effective learning environment for all. Should you have any queries or concerns, we encourage you to communicate through official channels such as email or the school office. Your continued support is essential in making this transition smooth and effective. We also encourage you to:

- \* Ensure your child attends all scheduled sessions regularly
- \* Provide a quiet and comfortable learning space at home
- \* Motivate and guide your child to actively participate in lessons

Together, we can ensure that our students continue to receive meaningful learning experiences and the guidance they need during this time.

We look forward to your cooperation and partnership. Wishing all our students a successful and enriching academic year ahead.
