Dear Parents,

Summer Vacation will commence on **Monday, 26th June 2023** after the regular school hours, and classes will resume on **Sunday, 3rd September 2023**. It's a wonderful time for children to have fun, reconnect with family and friends and indulge in their favourite hobbies. The holidays provide an opportunity for recreational activities, relaxation and joyful celebrations, offering a break from our usual daily routine.

In today's education, the development of skills such as communication, collaboration, and leadership has become integral to all round development. Therefore, we highly encourage our students to focus on honing these skills during the vacation period. Additionally, we strongly emphasize the importance of nurturing artistic talents in all forms. Students have been assigned small projects and subject enrichment work, which should be completed during the course of the summer holidays and submitted on or before **Monday, 14th September, 2023**.

We are pleased to announce the successful completion of all events scheduled for the First Term. The much anticipated Talent Fest, which has received great acclaim in the past, will take place in September. The schedule for this event will be available on the school website by the end of June.

During the summer holidays, the school office will remain open from 8:00 a.m. to 1:00 p.m. from Sunday to Thursday (Fridays and Saturdays will be holidays).

Parents are requested to clear all outstanding fees dues (if any) **immediately**. If dues are not cleared on time, defaulters' names will be stuck off the school register. For more details please refer to Page nos. 6 and 7 of the school diary. Please note that fees can be paid at any NEC branch or via the NEC app.

Parents with children studying in KG to Grade 9 who require Transfer Certificates must submit an application to the school office by **Monday, 19th June** and collect the same on **Saturday, 24th June 2023**.

Please review the contents on **Page 12 and 18** of the school diary, which outline the rules and regulations concerning general appearance and uniform guidelines, among other things. It is important to ensure that your children comply with these rules when they return to school, particularly regarding hair colouring, unacceptable haircuts, as well as ear and nose piercings. Any violation of these rules will be treated seriously and appropriate action will be taken.

Kindly note that as the Midterm Examination is now over, regular classes will resume from Thursday, 15th June until Monday, 26th June, both days inclusive.

We encourage children to make the most of their holidays by engaging in productive activities, so they can feel refreshed and ready to return to school in September with renewed energy and good health for an exciting new term. Take care, stay safe, and have a joyful vacation!

Happy Holidays!

Principal
