

CIRCULAR

30-08-2026

Dear Parents,

I hope you and your families have enjoyed a restful summer. As we prepare to welcome our students back and the school comes alive again, we look forward to beginning the new term with renewed energy, purpose and enthusiasm.

At a time when consistency, reassurance and steady leadership are especially important, we remain committed to ensuring that the rhythm and experience of school life continues with confidence, care and stability.

Therefore, we are pleased to announce that Mr. Anthony Jude, currently serving as Vice Principal – Senior Section, will assume the role of Principal of The Asian School with effect from 1st September 2026.

Mr. Jude brings extensive experience in educational leadership, both prior to and during his time at The Asian School. Since joining The Asian School, Mr. Jude has played a significant role in leading and strengthening the Secondary Section. His ability to combine high expectations with empathy, thoughtful decision-making and a student-centred approach has been a particular strength of his leadership. In recent months, he has also demonstrated steady and purposeful leadership during a period that required adaptability, resilience and careful decision-making. His familiarity with our school, our students and our community, together with his experience and understanding of the institution, places him in a strong position to lead the school as Principal.

While leadership evolves, the values that define The Asian School remain constant. Our commitment to our students, our standards and our wider school community will continue to guide us. We will also continue to strengthen the partnership between school and home, recognising that the best outcomes for our children are achieved when parents, teachers and school leaders work together with a shared sense of purpose. We are confident that, through collective strength and commitment from all of us, The Asian School will continue to grow, flourish and move forward with confidence.

As we begin the new term, we look forward to welcoming our students back to their classrooms, reconnecting with one another and creating another year filled with learning, discovery, achievement and memorable experiences.

Thank you, as always, for your continued trust, partnership and support. The strength of our school has always been its people, and it is through our shared commitment to our students and to one another that we continue to make our school a place of which we can all be proud.
