

CIRCULAR

23-09-2026

Dear Parents,

As a school, we strongly recommend that parents opt for our School Transport Service provided in partnership with M/s. Almoayyed Transport, a licensed and Ministry approved transport provider. We consider this to be the safest and most secure transportation option for our students.

However, should parents prefer to arrange private transportation for their children, please note that in accordance with the circular received from the Ministry of Education regarding student transportation safety, any private transport provider engaged must be licensed and included in the Ministry's approved list.

Parents are therefore requested to ensure that only Ministry approved transport providers are used when arranging private transportation for their children for their utmost safety and security.

The English translation of the first page of the Ministry's circular is given below and please click on the link below to access a PDF file with the list of MoE approved school transport providers (see pgs. 2-17 of the file).

Thank you for your cooperation in helping us ensure the safety and well-being of our students.

English Translation of the 1st page of the Circular from the Ministry of Education**Subject: Student Safety and Security on School Buses and in School Transportation**

As part of the Ministry of Education's commitment to ensuring the safety and security of our students while using school buses and transportation services, we wish to express our appreciation for your efforts to enhance student transport safety a priority that remains a constant focus for us.

Accordingly, we emphasize the importance of adhering to the following safety and security measures regarding school buses and transportation:

1. Ensure that the school contracts with a student transportation company licensed by the Ministry of Transportation and Telecommunications in accordance with the attached list.
2. Urge parents to contract only with individuals licensed to provide student transportation services who are included in the list approved by the Ministry of Transportation and Telecommunications.
3. Comply with the use of the seat check form designed to verify that no students remain on board school buses this form was introduced to ensure a thorough and documented inspection process following the completion of every school trip whether in the morning or the afternoon.

We look forward to your cooperation and commitment to implementing the above measures, thereby contributing to the safety of our students, and we wish everyone a safe, accident free academic year.

**Principal**
