08-04-2026

Dear Parents,

Warm greetings from The Asian School!

We hope you and your family are keeping safe and well. Due to the current exceptional circumstances, classes have been conducted online so far and we truly appreciate your continued support, flexibility and cooperation in ensuring a smooth learning experience for your child.

As per the directives of the Ministry of Education, we are required to conduct a survey to understand your preference regarding your child's mode of learning moving forward. You may choose whether you would prefer your child to:

- Attend in-person (on campus) classes, or
- Continue with online learning

Parents Survey - Mode of Learning for Kindergarten in 2026-27

We kindly request you to complete the survey by 6:00 p.m. tomorrow, Thursday, 9th April 2026. Once the survey responses have been reviewed, the school will plan accordingly and inform parents about the date for the commencement of in-person classes.

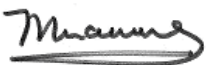

The decision rests entirely with you. We kindly request you to carefully consider all relevant factors, including safety, potential risks and practical challenges, before making your choice. While the school will take all necessary precautions in line with Ministry guidelines, parents are requested to make an informed decision based on their individual circumstances.

Please note the following:

- Transport services will not be provided during this period. Parents are requested to make their own transport arrangements.
- Online classes will continue as per the current timetable from 9:00 a.m. to 11:40 a.m.
- In-person classes will follow regular school timings from 7:40 a.m. to 1:30 p.m. and we request parents to adhere strictly to these timings.
- If you opt for in-person classes, this mode must be continued consistently. Switching between in-person and online classes on a frequent or random basis will not be permitted.
- In-person schooling will require strict adherence to all safety rules and regulations as laid down by the Ministry of Education.

Your response will greatly assist us in planning effectively and ensuring the best possible learning environment for our students. We kindly request you to complete the survey at the earliest.

Thank you once again for your understanding, trust and continued partnership.
