Dear Parents,

We hope you and your family are safe and well. Thank you for your continued support and cooperation as we began the Academic Year 2026–27 in online mode from April 7th for the KG section, considering the prevailing situation.

As circumstances improve, we are pleased to have offered parents the option to send their children to school. We understand that this is an important decision for every family and we are committed to ensuring a caring and welcoming environment for all our young learners.

Please note that **only those students whose parents have opted for in-person schooling through the Google Form** should report to school on the first day. If you have not filled the form earlier or opted to remain online, but now wish to send your child to school, kindly apply either in person or via email to vp.primary@asianschool.bh and wait for a confirmation reply before sending your child to school.

The school will resume for KG students from **Monday, April 13th 2026**. For parents who have chosen to send their children to school, kindly take note of the following instructions:

- The **School Diary must be brought to school every day**. On the first day, students should carry the School Diary, workbooks and a rough notebook.
- Parents are requested to **fill in all required details on pages 3, 4, 159 and 160** of the School Diary and sign accordingly. Kindly **paste recent coloured photographs of your child in school uniform** on pages 3 and 159.
- Please ensure that your child carries **snacks and a water bottle** every day.
- Parents of **LKG and HKG students** are requested to send an **extra set of clothes (coloured) and a labelled napkin** in the school bag daily.
- All belongings (school bag, water bottle, tiffin box, spare clothes etc.) must be **clearly labelled with the name and scholar no.** to avoid loss or misplacement.
- It is **mandatory for all students to wear the regular school uniform along with a lanyard and badge**. Students may use any previously purchased lanyard (red or purple). Please **affix a recent passport-size photograph of the student on the back of the school badge**.
- Parents are requested to **drop their child by 7:30 a.m. and pick them up at 1:30 p.m.** using **Gate Nos. 2 and 5**.
- Parents are advised **not to pick up children during school hours**, except in case of genuine emergencies.

We are excited to welcome our little learners back to campus where they can learn, play and grow together in a fun and nurturing environment. Your trust and partnership mean a great deal to us and we look forward to working closely with you to make this a happy and successful school year.
