01-07-2025

Dear Parents,

We are thrilled to announce our upcoming Transdisciplinary Showcase, scheduled for Friday, 24th October 2025.

This event is specially designed to highlight innovative student projects that integrate multiple disciplines and align with the United Nations Sustainable Development Goals (SDGs). The showcase will also feature an important segment of student performances titled “**LIVING ART SDG 17.**”

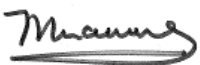

The exhibition offers a unique opportunity for students to demonstrate how they can combine knowledge, concept, methods and skills from various disciplines such as Language, Science, Mathematics, Social Studies, Art, Technology, Humanities, and Commerce **to address real-world challenges** related to sustainability and global development in a meaningful way. Please encourage your children to explore and choose a project related to the topic assigned to their class, focusing on current challenges and real-world problems.

1. **Theme:** Transdisciplinary Projects Aligned with the United Nations Sustainable Development Goals (SDGs)
2. **Objective:** To encourage transdisciplinary learning and promote sustainable thinking through creative, student-driven projects.
3. **Project Format:**
 - Individual work
 - Working or still models
 - Integration of at least one art form (Compulsory along with their models)
 - A concise write-up (Refer Grade Wise Guidelines posted in the Google classroom)
4. **Assessment Category:** Subject Enrichment Activity (Internal Assessment)
5. **Participation:** Compulsory for all students
6. **Submission Deadline:** 10th September, Wednesday
7. **Additional Information:**
 - Please check your respective Google Classrooms for detailed guidelines and updates.
 - Please fill and submit the Google Form accessible from this link [Transdisciplinary Showcase](#) with any queries that you may have.

Note: E-certificates will be awarded to students presenting the most innovative and impactful ideas/models.

This exhibition will celebrate creativity, collaboration, and inspire meaningful dialogue on sustainability and our collective responsibility for a better future. We warmly invite students, parents and guardians to support and join us in this exciting event.

Thank you in advance for your active involvement and enthusiastic participation!

Principal
