Rules and Regulations

- Transportation of children is not an obligatory service from the school. It is arranged through external agencies for the convenience of parents. The school authorities are not responsible for any delay, accident or break-down of the transport. Parents availing transport facilities are doing so at their own risk.
- Bus Nos., routes, pick-up and drop off points will be determined by the school at the beginning of each academic year and parents can choose the most suitable stop for their children.
- Change in bus nos., routes, stops and timing may be made during the year for reasons beyond the control of the school authorities.
- Students may be moved to different buses during the academic year to maintain bus capacities. However, the bus stop opted for by the parent will remain unchanged.
- Separate badges should be obtained by the children traveling by bus and it is compulsory to wear these badges on all school days.
- In case any parent is not present at the bus-stop to collect their child, he/she will be brought back to the school unless otherwise advised by the parent before-hand. These children should then be collected by the parent from the school.
- Change of bus stop for children can be made by the parent only with the approval of the school authorities, and for this a written application has to be submitted.
- Parents withdrawing their children from availing the transport facility will have to inform the school in writing at least one month in advance. In the absence of such an application, transport fee will be charged.
- Children proceeding on leave will also have to pay the transport fee along with the tuition fee for the period of leave.
- Any misbehavior in the bus will lead to the withdrawal of the transport facility.

I have read and agree to abide by the rules and regulations mentioned above.
