Dear Parents,

We are very happy to inform you that the 40th Anniversary of our school is scheduled to be held on Thursday, 11th May 2023 at 6:00 p.m. in the school's Dr. Abdul Kalam Memorial Auditorium.

Ms. Lulwa Ghassan Almuhanha, Director of Private Education, Ministry of Education, Kingdom of Bahrain will officiate as the Chief Guest.

Mr. Ravi Kumar Jain, Second Secretary and Head of Chancery, Embassy of India, Kingdom of Bahrain will be the Guest of Honour for the event.

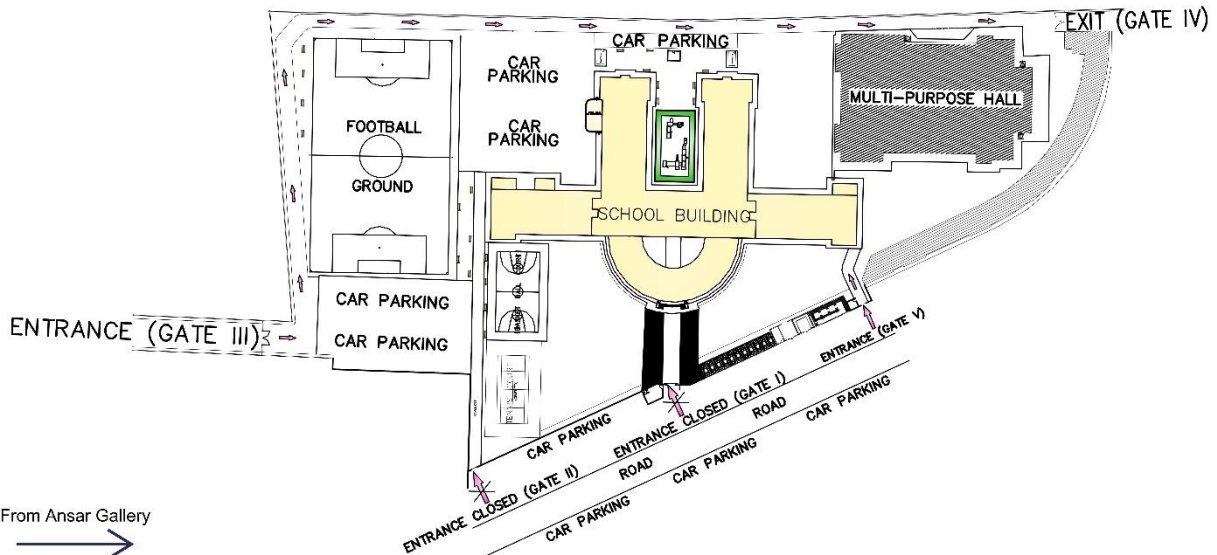

We cordially invite all parents to attend the 40th Anniversary Day Celebrations of The Asian School. Your valuable presence will motivate and encourage our participating students and also help make it a grand success. As this is an event for the whole school, we request parents to not bring any friends, relatives or their children who are not participating in any program, for the function. Seating and entry to the auditorium will be on a first come first served basis.

Parents of students who are participating in the cultural programs on Thursday 11th May are informed that school buses will operate from the first stop at 4:00 p.m. to pick students who avail the school transport facility. Parents who will drop their children who are participating in the programs, should reach them to the school before 4:30 p.m. All participants may be collected after their respective event from the dispersal area, which is the car park behind the auditorium.

Parents can park their cars in designated areas within the school compound or outside, opposite the main gate (GATE I). Parents who wish to park their cars inside the school compound are requested to enter only from GATE III. This gate is on the road coming from Ansar Gallery and going towards Toyota Plaza. You are requested to not park your cars in the driveway inside the school compound. Please follow the instructions of the ushers for smooth movement of traffic. The school main gate (Gate I) and the side gate (GATE II) will be closed and entry will not be permitted from these gates. The side gate next to the substation and shops (GATE V) will be open for entry and exit. Please see the map below for details.

There will be no classes on Thursday May 11th 2023 and students not participating in any programs do not need to come to school.
