OKTA CONSULTING

WHAT'S INSIDE

Overview

Why use Iron Cove Solutions for Okta deployments?

Iron Cove Solutions is a Certified Okta partner with 4 certified engineers on staff who have completed the Okta training deployment and requirements of Okta for Business. Having completed its extensive onboarding and migration training, we are uniquely staffed to handle the needs of moving easy to complex data structures

As seasoned Okta Consultants, we have a proven track record of over 300 successful migrations to Okta. When customers seek assistance in connecting Okta, they choose us for our expertise, especially in the complex provisioning of users, groups, and workflows. Our experience ranges from managing 55K seat deployments for Okta to supporting small businesses.

We recommend Okta as a user-friendly cloud identity management platform.

Our dedicated team offers tailored solutions to meet your needs. Call today at 213.545.0601

Iron Cove is Ideal Partner

Best-in-Class Consultants

- All Certified
- Dependable and Reliable
- 17 Years of Cloud Application Experience
- Slack or Team Available
- We thrive by serving small businesses (under 100 employees) and mid-size businesses (up to 2,000 employees).

About

- Before and after the pandemic, we've partnered with companies like Kimberly Clark to facilitate their onboarding to Okta. This demand for remote work has pushed us to expand our expertise. Administrator console for complete control
- Venture firms like Accel and Kleiner Perkins have recognized the value of our services and have benefited from our trust and experience.
