

2020 CHURCH CAMPAIGN

JESUS THE GAME CHANGER: TO THE ENDS OF THE EARTH

Jesus the Game Changer: to the Ends of the Earth is the second season of the award-winning documentary. This series unveils the inspiring, sometimes forgotten or rarely told stories of game changers of the faith who risked danger and death to take the Gospel to the ends of the earth.

Under the changes enacted in our nation regarding COVID-19, we know that church life looks unrecognisable. We also know that now is a really important moment in our world and it's an opportunity for our churches to focus on making Jesus' last words our first priority, even when things are difficult!

We believe this series and this church campaign will be an incredible time to come together as the Australian church and be inspired to mission!

Sign up and receive all you need to run a 6-week church wide series!

Churches who register will receive a Church Pack with sermon notes, children's program, clips, episodes, music and more. We are also looking at how we support and resource churches who have signed up with digital access to episodes and enabling households to access and engage with the material. We want this to be a significant moment for your church to come together, even if it's not in the same way they have been.

Registration and church pack costs \$99.95 (plus postage)
