***280 Mcminns Drive, Mcminns Lagoon***

*If you are looking for a relaxing, low-stress holiday in the Darwin area, then this may be the perfect accommodation for you.*

## ***An invitation from Dale and Judy Chesson:***

If you are serving God in cross-cultural mission or other full-time Christian service, we invite you to stay at our beautiful property, “Narangga” in Darwin’s rural area. It is 2 hectares, with plenty of spots to wander, sit quietly under shady trees and enjoy God’s presence. We live upstairs and our guests stay ‘Downstairs at Narangga’ which is a spacious, family-friendly, four bedroom home, accommodating up to 8 people. It is a quiet and private location, but only 5 minutes by car from a large shopping centre and about half an hour from central Darwin.

We too have experienced mission work, first with the Uniting Church for three years at Aurukun on Cape York, and then with MAF for nearly eight years, living in three different East Arnhem Land communities. Our three sons were born during these years, so we know the special joys, stresses and struggles of bringing up a family in remote areas and a mission context.

We moved from Arnhem Land to Darwin in 2012 and were able to buy this property, thanks to an inheritance from Dale’s parents and the blessing and guidance of God. The vision God laid on our hearts was to have a place that was set up in such a way to make possible a ministry of hospitality to people in mission and full-time ministry.
