The AICPA® & CIMA® Employee Benefit Plans Conference is an unprecedented event that brings together more than 1,000 participants for a rare opportunity to network with some of the industry’s highest-level professionals. This conference brings auditors, tax professionals and plan sponsors together to discuss and debate issues of the day. This is one of the few events where attendees will hear directly from the Department of Labor and IRS on changes impacting both the tax and auditing sides of employee benefit plans. Reach attendees of this well-attended event through one of the many networking opportunities throughout the conference.
