

MASTERCLASS

Knee

Personalized Knee Care

Hotel Hilton Bomonti
Istanbul, Turkey
24-25 November 2023

 **ZIMMER BIOMET**
Institute®

Masterclass

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

We know you are committed to your field of expertise and we know you want to continue to improve. Through Zimmer Biomet Institute courses, you will gain problem-solving insights and develop your skills.

The specific course objectives include:

- Evaluate today's challenge in Primary TKR
- Discover the design features of the Persona® Knee system that enhance your primary knee replacements' experience
- Understand how position the components and achieve balanced knee
- Understand the philosophy behind the ROSA® Knee System and solutions connecting robotics alongside the surgical flow
- Exchange learnings and best practice from expert faculty that will be beneficial during your daily practice

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
