ROSA Hip

Cologne

24-25 October 2024

 **ZIMMER BIOMET**
Institute®

BioSkills

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

Are you keen to take an active role in learning about the latest products, surgical techniques and technologies? Train your hands and mind with human specimens to enhance your surgical expertise and deepen your knowledge.

The specific course objectives include:

- To gain an understanding of the need for a robotic solution, to personalise and optimise patient treatment pathways
- Learn how ROSA can be used in your existing operating theatre
- Optimising acetabular cup position and orientation
- Optimising femoral step position
- Understand the outcomes of ROSA hip surgery

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
