Meet the Expert

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

Do you want to learn from the best? Our Meet the Experts sessions allow you to gain access to the top-notch expertise of our renowned faculty as they share case studies, provide their perspectives and offer advice.

The specific course objectives include:

- Spend quality time discussing the need for, introduction, trouble shooting and clinical outcomes of the ROSA Hip
- Better understand the need for robotic assistance in the operating theatre
- How can ROSA Hip be efficiently integrated into your OR
- Lesson learned from the first 200 cases
- Understanding our early clinical outcomes

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
