
Programme

Symposium

Totally Hip

Fairmont Hotel

Monte Carlo, Monaco

Thursday 05 and Friday 06, February
2026

IN-PERSON

08:30 - 08:45

Welcome & introduction

Course Chairs:

F. Haddad, S. Jones, G. van Heckemond, S. Veltrop

Session I: What still concerns us in 2026?

Chair: F. Haddad

Audience Question Moderator: L. Suleiman

08:45 - 08:52

Impact on the patient

C. Scott

08:52 - 08:59

Impact on you as a surgeon

J. Skinner

08:59 - 09:06

Socioeconomic determinants of care

M. Levi

09:06 - 09:13

How can technology help us to prioritise patient care?

M. Innocenti

09:13 - 09:20

Building and leveraging clinical networks

A. Manktelow

09:20 - 09:27

Comparing care models: general hospitals vs. Academic medical centres

A. Troelsen

09:27 - 09:34

ASCs: A model for efficient, patient-focused care

A. Lombardi

09:34 - 09:50

Panel discussion

M. Innocenti, M. Levi, A. Lombardi, A. Manktelow, C. Scott, J. Skinner, A. Troelsen

09:50 - 09:55

Insights to action

F. Haddad

09:55 - 10:25

Coffee

Session II: The unhappy patient

Chair: S. Jones

Audience Question Moderator: A. Troelsen

10:25 - 10:27

My worst clinic

S. Jones

10:27 - 10:39

Joint instability and dislocations

J. Vardolmez

10:39 - 10:51

Groin pain

J. Fernández-Valencia

10:51 - 11:03

Lateral hip pain

G. van Hellemond

11:03 - 11:15

Leg length discrepancy

P. Senz

11:15 - 11:27

The noisy arthroplasty

M. Vandekerckhove

11:27 - 11:39

Pain without identified cause

A. Cruz

11:39 - 11:55

Panel discussion

A. Cruz, J. Fernández-Valencia, P. Senz, G. van Hellemond, M. Vandekerckhove, J. Vardolmez

11:55 - 12:00

Insights to action

S. Jones

12:00 - 13:00

Lunch

Session III: Achieving your goals.

Session IIIa: Understanding your goals

Chair: S. Vehmeijer

Audience Question Moderator: J. Fernández-Valencia

13:00 - 13:07

Are we as good as we think we are?

C. Scott

13:07 - 13:14

What do you do before you consider surgery?

M. Innocenti

13:14 - 13:21

Understanding the patient

L. Suleman

13:21 - 13:30

Panel discussion

M. Innocenti, C. Scott, L. Suleman

Achieving your goals.

Session IIIb: Delivering your goals

Chair: S. Vehmeijer

Audience Question Moderator: J. Fernández-Valencia

13:30 - 13:37

Optimising the patient

A. Troelsen

13:37 - 13:44

Selecting the right implant for the right patient

A. Manktelow

13:44 - 13:51

Optimising outcomes for the young active patient

J. Cobb

13:51 - 13:58

Using enabling technology to execute my plan

C. Lawrie

13:58 - 14:05

Why are navigation systems more popular than robots in Japan

H. Ogawa

14:05 - 14:25

Panel discussion

J. Cobb, C. Lawrie, A. Manktelow, H. Ogawa, A. Troelsen

14:25 - 14:30

Insights to action

S. Vehmeijer

Session IV: How do you measure success?

Chair: G. van Hellemond

Audience Question Moderator: A. Manktelow

14:30 - 14:37

Information overload: what data do you need & what data do you trust?

M. Vandekerckhove

14:37 - 14:44

Holy grail of registries - what to be aware of?

A. Troelsen

14:44 - 14:51

Creating value through the entire chain

A. Lombardi

14:51 - 14:58

Optimising the patient pathway

J. Fernández-Valencia

14:58 - 15:05

Limitations of current scoring systems

J. Cobb

15:05 - 15:12

How do you assess what you're doing - and how do you continue to improve?

S. Jones

Session V: Mastering the technique

Chair: S. Vehmeijer

Audience Question Moderator: C. Perka

16:00 - 16:10

Routine fluoroscopy use: my setup and workflow

J. Vanlommel

16:10 - 16:20

Total hip arthroplasty following failed ORIF

L. Zagra

16:20 - 16:30

Practical tips and surgical pearls for dual mobility cup placement

X. Flecher

16:30 - 16:40

The dysplastic socket

E. Togrul

16:40 - 16:50

Extending the use of hemispherical cups

T. Gebrke

16:50 - 17:00

Revision through the anterior approach

C. Lawrie

17:00 - 17:25

Panel discussion

X. Flecher, T. Gebrke, C. Lawrie, E. Togrul, J. Vanlommel, L. Zagra

17:25 - 17:30

Insights to action

S. Vehmeijer

17:30 - 17:30

Day 1 close

07:00 - 07:45

Meet the Expert @ breakfast

Executing the plan with robotics

Hip resurfacing in 2026

Anterior hip & patient recovery

Enhancing patient engagement

Session VI: The periprosthetic fracture epidemic

Chair: S. Jones

Audience Question Moderator: T. Gehrke

08:00 - 08:07

Unrecognized intraoperative and early postoperative fractures

C. Perka

08:07 - 08:14

Understanding the burden - patient & implant risk factors

S. Jones

08:14 - 08:21

The emergence of the collar

L. Suleiman

08:21 - 08:28

Difficulties & controversies

L. Zagra

08:28 - 08:35

What to do & how to fix it?

C. Scott

08:35 - 08:42

The interprosthetic fracture

A. Cruz

08:42 - 09:05

Case discussion

A. Cruz, C. Perka, C. Scott, L. Suleiman, L. Zagra

Session VII: The infection nightmare
Chair: G. van Hellemond
Audience Question Moderator: C. Lawrie

09:10 - 09:17

How it started

L. Suleiman

09:17 - 09:24

How could we have avoided it?

P. Sanz

09:24 - 09:31

The role of DAIR

J. Fernández-Valencia

09:31 - 09:38

1 vs 1.5 vs 2 stage revision

F. Haddad

09:38 - 09:45

What success looks like

C. Perka

09:45 - 09:52

When to stop revising

G. van Hellemond

09:52 - 09:59

Established national network programs

X. Flecher

09:59 - 10:06

The next chapter in PJI care

T. Gehrke

10:06 - 10:15

Panel discussion

J. Fernández-Valencia, X. Flecher, T. Gehrke, F. Haddad, C. Perka, P. Sanz, L. Suleiman

10:15 - 10:20

Insights to action

G. van Hellemond

Session VIII: Elevating practice, enhancing care

Chair: F. Haddad

Audience Question Moderator: A. Lombardi

10:50 - 10:57

The direction of travel for preservation

A. Troelsen

10:57 - 11:04

Where are regenerative therapies now and where are they likely to go?

J. Fernández-Valencia

11:04 - 11:11

How are we going to deliver care across the whole world?

M. Levi

11:11 - 11:18

Hip surgery as we know it, the future of arthroplasty in well resourced countries

L. Sulaiman

11:18 - 11:25

Enhanced technologies - what are we aiming for and what will future offerings look like

C. Lawrie

11:25 - 11:32

Cost effectiveness of our interventions, whose economics are we looking at?

F. Haddad

11:32 - 11:39

Innovation and the future, the importance of partnerships

J. Skinner

11:39 - 11:46

Optimising care for our patients, using data effectively in the future

N. Bosni

11:46 - 12:01

Panel discussion

N. Bosni, J. Fernández-Valencia, C. Lawrie, M. Levi, J. Skinner, L. Sulaiman, A. Troelsen

12:01 - 12:06

Insights to action

F. Haddad

12:06 - 12:15

Closing

Course Chairs:

F. Haddad, S. Jones, G. van Hellemond, S. Weismaier

12:15 - 12:15

Lunch & departures
