

Request

You open an account on www.precheck.ch for a mandatory PreCheck.

PreCheck

You submit a mandatory PreCheck along with your documentation on our online portal and follow the corresponding instructions. If your PreCheck result is positive, you will receive an application form for a recognition request.

Application

Following receipt of your request form, you will be sent an application form. You submit your application along with the necessary documentation and pay the first partial invoice of CHF 600.

Assessment

Your application is reviewed by our specialists as soon as the documentation is complete and payment has been received.

Measures fulfilled

You have fulfilled the compensatory measures.

Complete measures

You inform us of your selected compensatory measures. You have a two-year deadline to complete the required measures.

Compensatory measures

Your training is not wholly equivalent. You are informed with our decision of the compensatory measures (e.g. adaptation course, additional training course, or aptitude test).

Decision

You receive the decision by post. Depending on the assessment, this may take the form of direct recognition or a requirement to take certain compensatory measures.

Recognition fee

You provide proof of fulfilment of the compensatory measures and are then issued the second partial invoice of CHF 400. Depending on the profession, a further CHF 130 may be charged for registration with [NAREG](#), the National Register of Healthcare Professions.

Recognition acknowledgement

Once the second payment has been received by the SRC, you will be sent the recognition acknowledgement by post. Your training qualifications are equivalent to the corresponding Swiss qualifications.

Depending on the profession, you may also be entered in the National Register of Healthcare Professions (NAREG).

Recognition fee

Your equivalence is recognized directly. You receive a second partial invoice of CHF 330. Depending on the profession, a further CHF 130 may be charged for registration with [NAREG](#), the National Register of Healthcare Professions.
