## What is Sansuu Royalty?

[Sansuu Royalty](#) is a specialized, 100% cloud-based software designed for Amazon KDP publishers, Etsy sellers, and teachers. It focuses on the "Education" niche, specifically math workbooks for kids (Pre-K to Grade 5+).

Instead of manually typing out math problems or hiring expensive freelancers, this tool generates randomized math problems across 20+ categories and formats them into KDP-ready PDFs with just a few clicks.

### Core Features of Sansuu Royalty

- **20+ Math Categories:** Includes addition, subtraction, multiplication, division, fractions, place value, time, money, and more.
- **60+ Professional Templates:** High-quality, aesthetic layouts that make your books stand out from the "low-effort" competition.
- **Bulk Generation:** Create 10 to 50+ worksheets in a single batch.

- **Automatic Answer Keys:** Never worry about manual errors; the software generates matching solution pages automatically.
- **KDP-Ready Export:** Download your interiors in 300 DPI PDF format, pre-formatted for standard KDP trim sizes and bleed settings.

## Sansuu Royalty OTOs, Pricing & Discounts

To get the most out of this software, it is important to understand the full "funnel" or upgrades (OTOs) available. These upgrades unlock higher limits and more advanced design features.

### Front End (FE): Sansuu Royalty Core – (\$17 - \$27)

The base version includes the core math generator, essential templates, and full commercial rights to sell your creations.

### OTO 1: Pro Upgrade – (\$37 - \$47)

This is for power users. It offers expanded template libraries, advanced math types (complex equations), and higher bulk generation limits.

### OTO 2: Done-For-You (DFY) Package – (\$47 - \$67)

Get instant access to pre-built workbook interiors and covers in the most profitable math niches. This is the fastest way to start publishing.

### OTO 3: Agency Rights – (\$97 - \$147)

Allows you to use the software to provide services to clients. You can create workbooks for other publishers or teachers and keep 100% of the profit.

### OTO 4: Advanced Training – (\$37 - \$47)

A masterclass on KDP niche research, keyword optimization, and how to drive external traffic to your books.

## Exclusive Bonuses & How to Claim

To help you succeed even faster, I have put together a premium bonus package for everyone who purchases through this page. These bonuses include niche research lists, cover design templates, and marketing guides.

**How to Claim Your Bonuses:** After completing your order, please send your “**receipt ID**” to [admin@myblogguides.com](mailto:admin@myblogguides.com) via email. Once I receive your message and confirm your purchase, you will receive **all of my exclusive bonuses**. Make sure to email me to verify that you have completed the process. Your bonuses will be delivered **within 12 hours**.

# Why You Should Start in the Math Niche

The education niche is one of the "evergreen" categories on Amazon. Parents and teachers are constantly searching for practice materials for their children. Unlike "fad" niches, math workbooks sell year-round, especially during back-to-school seasons and summer breaks.

With **Sansuu Royalty**, you solve the two biggest hurdles:

1. **Complexity:** Creating math problems that are grade-level appropriate is hard.
2. **Accuracy:** A single wrong answer in your workbook can lead to a 1-star review. This software eliminates that risk with auto-generated answer keys.

## Pros and Cons

### Pros:

- Very beginner-friendly; no design skills required.
- Saves hundreds of hours compared to manual creation.
- Commercial license included (keep 100% of profits).
- One-time pricing (no monthly subscriptions during launch).

### Cons:

- Focuses purely on math (not suitable for word search or coloring books).
- Requires OTO 1 for maximum template variety.

## Final Verdict: Is It Worth It?

If you are serious about building a KDP business, **Sansuu Royalty** is a "must-have" tool. It turns a complex, high-barrier niche into a simple "click-and-publish" process. By automating the hardest part of the job, you can focus on what actually makes money: scaling your catalog and finding new niches.

### Don't Miss the OTO Discounts!

The current launch pricing is the lowest it will ever be. Grab your copy now to secure the one-time price and all the OTO discounts.

**Reminder:** After completing your order, please send your "receipt ID" to [admin@myblogguides.com](mailto:admin@myblogguides.com) via email. Once I receive your message and confirm your purchase, you will receive **all of my exclusive bonuses**. Make sure to email me to verify that you have completed the process. Your bonuses will be delivered **within 12 hours**.
